The History Box Ballarat

WHO ARE WE?

The History Box is operated by two experienced teachers (Barry Griffiths and Cynda Strange). They are an enthusiastic team dedicated to teaching history.

WHAT DO WE OFFER?

The History Box offers a "hands on" approach to teaching history.

A learning experience for students that is stimulating and memorable.

All presentations are linked to the State and National Curriculum and as such make them relevant to current teaching.

Family nights are available on request. *
